Program—Literacy and
Numeracy— Yr 3 & 5.

PRINCIPALS MESSAGE

Firstly a big thank you to all of you for attending and transporting your children to this terms events.

The benefits of our busy swimming week were well demonstrated in the results at the Small Schools Swimming Carnival.

I can not say how proud I am of our school, not just because we won the swimming carnival for the first time, but because of the wonderful attitude and effort put in by our students.

The students had a wonderful time during the Science Day at Pomona and I am impressed with the students stories and eagerness to conduct more experiments (lock up your matches!!)

As you know I traveled to Dubbo for the Annual Principal's Conference last week. While it was an excellent opportunity for learning and networking I'm very glad to be back in the school this week!

ACTIVE SPORTS

Thank you to Sally and the Mums for providing this very popular program.

The program starts at 8:45 am and school finishes at 3:15 on these days (Monday and Wednesday)

Thank you to those families who supply and prepare the healthy snacks, it certainly is a very popular part of the program.

We should hear from Scott over the next couple of weeks and confirm a date for the Community Coach Training.

Sally would appreciate assistance from anyone who is available to help. If you haven't returned your permission notes for Active, please do so ASAP.

PRE-SCHOOL

Pre-school will be this Wednesday (11th March), next Friday (20th March) and then on Wednesday for the rest of term, except of the weeks of Toy Library.

TOY LIBRARY

The next Toy Library will be Thursday March 12th in the Pre-School

There will be a gold coin donation for hair colour and a BBQ lunch on this day.

A Speech therapist will be traveling with Toy Library.

BARRIER TRIALS

Good Luck to our students who are attending the Barrier Sports Trials in Broken Hill on Friday!
