**Good Luck &
Have fun
Jake & Jake!**

MESSAGE FROM THE PRINCIPAL

Welcome back to the last term of 2008, *only 11 weeks to Christmas!*

I am sure that the next ten weeks will fly by with lots of exciting activities such as the water bug survey, a week at the Grampians and preparations for the end of year Presentation Evening.

Staff will remain pretty much the same this term, Corinna will continue to work once a fortnight, Steve H will also be working once a fortnight and Jolene & Sally will continue to job share the rest of the time.

Helen and Jeromy will also be teaching one day a week.

By now most of you know that we have four more students starting this term, I would like to take this opportunity on behalf of the school to welcome them and their families to our school community.

Regards Mrs. Kemp

Ps: My apologies for not being at school first day back, I will be writing a sustainable Environmental Management Plan for the School.

TOY LIBRARY

Toy Library will be here this Wednesday 15th of October, with them will be the Flying doctor's Women and Children's Health Nurse. Starting approximately **10:30 am** in the Pre-school building

MULTIPURPOSE COURT

THANK YOU to everyone for their support during the multipurpose court journey! After many hours of stressing and waiting, it is finally here!!

I am sure you will all agree, our students are very lucky (but deserving) to have such a great facility, maybe one day we will get to cover it!

Thank you to Dingo for tidying up and finishing the job, I will look into some plantings etc this term.

ACTIVE SPORTS

As discussed at our last P&C meeting, Active Sports will begin at **8:45 am** on **Monday** and **Tuesday** from Week 2 until Week 9.

Please note school will finish at 3:30pm on these days.

Assistance with Healthy snacks would be greatly appreciated.

Sport News

State Athletics Carnival

Good luck to the two Jakes who will be competing in the State Athletics Carnival.

It is a great (& expensive) commitment by their families, but we know that they will do us proud by trying their best! Relax and have fun guys!!

News

Water Bug Survey

We will be completing a Water Bug Survey again this year! (lets hope the weather holds out!) This year we will be bringing in an 'expert' so we should have twice as much fun!!

Water Bottles

Due to the cost and inconvenience of us supplying water, we ask that student's bring their own water bottles from home, they can be re-filled with town water at school. Thankyou.

The Hot Weather is Here!

Make sure you child/children applies sun block, and wears a broadbrim hat to school.

**Pooncarie PS has a
No Hat, No Play
Policy**

P&C hot lunches

A great big Thank you to Lisa who does a fantastic job at stacking our P&C Hot lunch freezer, they sure are popular and keep Lisa busy! Also thank you to the office girls who organise the lunches in the morning.

Also, a friendly reminder to those of you who haven't paid their term three account.

Hope you all had a great break over the school holidays and are well rested and looking forward to a huge term four.
